

# HAND-HELD-BOXES

## Handheld enclosures for measuring instruments

Tried and tested, simple and economic handheld plastic enclosures.

- designed for mounting digital or analogue LCD display modules
- accessory acrylic windows protect the display modules and are easily fitted with the self-adhesive foils
- battery compartments for C, AA and 9 V cells
- snap-in battery compartment lids for quick battery replacement
- versions with/without switch cap (type P)
- raised front area on the bottom part to accommodate plugs
- tilt foot bar for ergonomic desktop applications
- top recess for mounting membrane keypads (types M, N)
- internal screw pillars for mounting PCBs

# HAND-HELD-BOXES

## Applications and Examples

Useful range of handheld cases for mounting digital and analogue instruments. Ideal for housing measuring and control technology e.g. continuity checkers, volt meters, field intensity meters, digital thermometers, flow meters, etc.

Dosemeter

## Customising Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components.
