

Modern desktop enclosures with wide front panels

With their generous dimensions, stylish design and ergonomic control panels, our MOTEC plastic enclosures are designed to distinguish your electronics from more conventional systems.

- · stylish range of instrument enclosures
- three plan sizes
- · different case heights for individual configurations
- high-quality material ABS (UL 94 HB)
- robust clip-together assembly to minimize your assembly work
- access with flat screwdriver only, for security
- · ergonomic, moulded sloping control panel with recessed area for a membrane keypad
- aluminium panels ordered separately
- · versions with handle for ergonomically tilted position or carrying
- four non-slip self-adhesive feet included
- protection class IP 40
- internal guide grooves for the vertical insertion of partitions and PCBs
- internal screw pillars for PCBs etc.

Applications and Examples

Measuring and control technology, feedback control, peripheral devices and interfaces, switchboxes, modems, laboratory equipment, medical and wellness devices, etc.
