MEDITEC D 160, without handle bar

Complete case. Ideally suited to accommodate double-Eurocards 233.4 x 160 mm. Two identical shells are joined together so that they overlap. Side trims easily fitted. Non-slipping case feet are fixed by screws to ensure a firm and stable support.

Supply

2 L-Shells, 2 side trims with ventilation (colour off-white), 2 side panels, assembly kit, 4 case-feet
