Designer Statement

"A DATEC-MOBIL-BOX é um verdadeiro milagre de espaço. Se considerarmos adicionalmente a linha de produtos Datec-Pocket-Box, estão aqui disponíveis seis tamanhos de gabinetes adaptados a componentes usuais no mercado, cujo espaço interno pode ser aproveitado eficientemente até o último ângulo. Cada um desses gabinetes portáteis pode ser considerado como o paradigma do aproveitamento do espaço em combinação com a funcionalidade da exibição padrão, da superfície operacional padrão, de interfaces padrão e de suprimento de energia padrão. Sempre que se trate de produtos compactos e portáteis, este design de gabinetes é imbatível. Martin Nußberger, polyform Industrie Design
